Motivation

An optimistic, adaptive and fast-learning person with an interest in developing software, I particularly enjoy collaborating with people from disciplines to develop new skills and solve new challenges.

Education

BE(Comp.) From Savitribai Phule Pune University.

Pursuing from 2018.
I2IT, Hinjewadi.

12th in Science from HSC Board

Score:75.23%
Geetamata Junior. College, Chinchwad.

10th from SSC Board

Score: 88.6%
NMEMS, Sangvi.

Technical Skills

- Language Known : C, C++,HTML, CSS, Javascript.
 - Web-Dev Framework - ReactJs, ExpressJs.
 - Familiar with AWS and Google Firestore.
 - Familiar with Network and Web App Penetration Testing.
-

Course|Experience

Front-End Web Development with React :

Coursera

- Installed Node.js and Git to program a single page web application using ReactJs.
- Strengthened skills in Json, FETCH API for client-server communication, coupled with HTML, CSS and Bootstrap to deliver a responsive UI.

AWS Cloud Foundations :

AWS academy

- Created Linux and Windows EC2 instances in a VPC and deployed Web applications using various services like S3,

Lambda, Elastic Beanstalk, DynamoDb and IAM.

- Learned about AWS Cloud concepts, AWS services, security, architecture and pricing models.

Practical Ethical Hacking :

Udemy

- Installed and set up various Operating Systems(Kali, Ubuntu, Windows and Fedora) for penetration testing including some on VMware and applications like Burp Suite and Metasploit .
- Learned various ethical Hacking skills including Computer Networks, Active Directory exploitation, Common web application attacks along with OWASP Top 10
- Completed 129 Labs on PortSwigger Academy for web application penetration testing.

Project Experience

Third Year Project: Buylt

- Collaborated with 3 teammates to develop a Full Stack B2C E-Commerce web-application.
- Designed and developed Boilerplate for Buylt using MERN Stack and comment section for products.

Interests/Hobbies

- Learning Japanese Language as a hobby.
- Very fond of Japanese culture, cars, music and food.
- Proficient at playing many OSTs on Piano.
